Come and get lost at Lower Drayton Farm, Penkridge

Fun for all the family at Lower Drayton Farm. We are situated in the heart of the midlands just minutes away from J13 of the M6. Turn south along the A449 and we are down Lower Drayton Lane.

We are a working beef and arable farm– please bear this in mind when deciding on footwear. The paths around the trails are compacted earth, so if in doubt, bring your wellies!

We will be open from Thursday 5th August, (closing on Mondays and Tuesdays and Wednesdays) through till late September. The crop still has a little growing to do, but most of it is around 4ft at the moment.

Also have a walk around our woodland, which is free entry to see the different species of trees, birds and butterflies. Great fun for all ages.

NEW FOR THIS YEAR – FREE TRACTOR AND TRAILER RIDES AROUND THE FARM

A HEALTHY HOLIDAY ACTIVITY!

A GREAT FAMILY DAY OUT!
