Dear Supporters,

Thank you so much for the support and sponsorship given to John and myself, before and during our "Scottish Coast 21 Coast in June", which maintained our high spirits during long and sometimes difficult days.

The total raised was £2323, including £375 in gift aid, which was a wonderful amount.

Your money will go directly to help people living with cancer and their families.

Your thoughtfulness will help Macmillan Cancer Support working alongside the NHS to provide equal and ready access to the best information, treatment and care for cancer to everyone no matter whom they are or where they live.

All Macmillan services are free of charge. All are provided by the generosity of people like you who have supported financially Macmillan in many different ways. With your help Macmillan is making a real difference to the lives of people living with cancer. Whether that be Hospital based or community nurses, visiting people at home to offer care and support and information to both patients and their families. A Macmillan Dietician and Macmillan Occupational Therapist complement the work of our nurses

With very best wishes and renewed thanks.

Yours sincerely

Keith Burton
