Dear Friends,

Thank you so much for the support and sponsorship given to me, before and during my 310 mile hike from Falmouth – South Haven Point (Pool)

The weather was quite unpleasant during the first week, beginning with a cancelled Ferry due to sea conditions, but improved on reaching Plymouth. The last ten days were extremely hot with temperatures at 30 degrees at times.

I was privileged to meet many kind and generous people, both walkers and Hosts of Guest Houses collecting over £100.

There were many challenging and long days, but wonderful breath taking scenery, particularly along the Jurassic Coast. The approach to Durdle Door & Lulworth Cove was to me a dramatic climax that will be etched in my memory. There were also the iconic villages of Mevagissey, Fowey Polrun, & Polperro.

The total raised £1609 including £191 in gift aid, which was a wonderful amount.

Your money will go directly to help people living with cancer and their families.

Your thoughtfulness will help Macmillan Cancer Support working alongside the NHS to provide equal and ready access to the best information, treatment and care for cancer to everyone no matter whom they are or where they live.

All Macmillan services are free of charge. All are provided by the generosity of people like you who have supported financially Macmillan in many different ways. With your help Macmillan is making a real difference to the lives of people living with cancer. Whether that be Hospital based or community nurses, visiting people at home to offer care and support and information to both patients and their families. A Macmillan Dietician and Macmillan Occupational Therapist complement the work of our nurses

With very best wishes and renewed thanks.

Yours sincerely

Keith Burton
